WORKSHEETS TO PREPARE
FOR A CHRIST CENTERED
WEDDING + MARRIAGE

SPIRITUAL

Sit down with your beloved, grab a cozy blanket and a snack, and really take the time to discuss what you envision your wedding day to be how you are preparing for marriage. Thoughtfully preparing now is building your home brick by brick, so when the floods come (and they will) your relationship and faith will not be shaken.

Why do we want to be married in the Catholic Church?

Do we desire a Nuptial Mass or a wedding without a Mass? Why? What does your parish offer?

Are there any patron saints that we'd love to ask their intercession? Any special devotions we'd like to do before the wedding?

How are we preparing ourselves for our vocations? If you need some ideas, [\[click here\]](#) to learn about combining your spiritual lives.

EXPECTATIONS

What expectations do we have for our wedding?

What expectations do our families have for our wedding?

Do we have any worries or fears about planning your own wedding, or about weddings in general?

DISCUSS

What elements of a wedding matter most to you?

What are things that you've LOVED from weddings you've attended?

What are things that you've DISLIKED from weddings you've attended?

Be realistic: do you enjoy planning and finishing DIY crafts and projects?

What 3 words would you use to describe your "dream" wedding? How would you like others to describe your wedding?

IMAGINE

Place yourself at your wedding Mass. What sights, smells, and sounds are there? Describe or draw it here with as much details as you can. You can also cut and paste pictures from magazines or the internet.

IMAGINE

Now imagine the reception. Is it inside or outside? Formal or casual? Lots of people or an intimate gathering? Daytime or night? Do any colors stand out? Describe or draw it here with as much details as you can. You can also cut and paste pictures from magazines or the internet.

*That one is like a person
building a house, who
dug deeply and laid the
foundation on rock;
when the flood came, the
river burst against that
house but could not
shake it because it had
been well built.*
